As a substitute, add a lot of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to test out prices by making a number of duplicate sales pages with completely different prices on each page. Make sure your gross sales copy is strictly the similar on every

page, and contains your selling-handle sentence. Then figure out for every page the conversion ratio between guests to your web site and gross sales of your book. This may tell you what your optimum value is.
