A printed e-book is an object you possibly can hold in your hand, retailer on your bookshelf, even hand down to the following generation. It's priced on elements such as paper inventory, design and manufacturing prices, and marketing.

But the fact that unites ebooks and print books is that they're composed of ideas. It's the concepts in these books that have the power to vary, or presumably rework, folks's lives.

What do you assume an thought is worth when evaluated in opposition to the price of paper and ink?

It's the IDEAS which are beneficial! That is the way you decide the price of your ebook.
