promotional material, and every time anybody asks you about your ebook.

One is to offer something away without cost with your e book, reminiscent of a precious bonus item. Or bundle a number of ebooks under one price, which lowers the price for each book if they have been sold separately.

An effective technique for determining a worth is to ship out a survey to your present customers. If these prospects have already bought an ebook from you, ask for their opinion when it comes to price. Do that by creating a sales web page for the brand new guide, however don't embrace a worth on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to test out costs by creating a variety of duplicate sales pages with different prices on every page. Be sure your sales copy is exactly the same on each page, and includes your promoting-deal with sentence. Then determine for each web page the conversion ratio between visitors to your site and gross sales of your book. It will inform you what your optimum worth is.

Ultimately, in the event you've written a e-book that solves a downside or presents a new technique, your guide will herald both traffic and profits.
