Do this by making a gross sales page for the brand new ebook, however don't embody a price on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to check out costs by making a number of duplicate sales pages with different costs on every page. Be certain that your sales copy is strictly the same on every page, and

includes your promoting-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your website and gross sales of your book. It will let you know what your optimum price is.
