If these customers have already purchased an e-book from you, ask for their opinion in terms of price. Do that by creating a gross sales page for the new e book, however don't embrace a value on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to check out prices by making a number of duplicate sales pages with completely different costs on each page. Be certain that your sales copy is precisely the similar on every page, and includes your selling-handle sentence. Then work out for every web page the conversion ratio between visitors to your site and gross sales of your book. It will let you know what your optimum value is.

Finally, when you've written a e-book that solves a problem or presents a new technique, your e book will usher in each visitors and profits.
