Do that by making a gross sales page for the brand new e-book, however do not include a value on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to check out prices by creating a number of duplicate sales pages with completely different prices on every page. Make sure that your sales copy is precisely the same on each page, and contains your selling-deal with sentence. Then determine for every page the conversion ratio between visitors to your website and gross sales of your book. This may tell you what your optimum value is.

In the end, when you've written a guide that solves a drawback or presents a new method, your ebook will usher in each visitors and profits.
