Another strategy is to test out costs by creating a number of duplicate gross sales pages with totally different prices on each page. Be certain that your sales copy is exactly the similar on

each page, and consists of your promoting-handle sentence. Then figure out for each web page the conversion ratio between visitors to your website and sales of your book. This can let you know what your optimum worth is.

Finally, if you happen to've written a e book that solves a drawback or presents a new approach, your book will herald each traffic and profits.
