Do this by making a gross sales page for the brand new e-book, but do not embody a value on that page. As a substitute, add a variety of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to test out prices by making a variety of duplicate gross sales pages with different costs on each page. Ensure that your gross sales copy is exactly the identical on each

page, and consists of your promoting-deal with sentence. Then determine for every page the conversion ratio between guests to your website and sales of your book. This may let you know what your optimum worth is.
