An effective method for determining a value is to ship out a survey to your current customers. If these customers have already bought an ebook from you, ask for his or her opinion by way of price.

Do this by creating a gross sales page for the brand new ebook, but do not embrace a value on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to check out prices by making a variety of duplicate sales pages with different prices on every page. Make sure that your gross sales copy is strictly the identical on every web page, and consists of your promoting-deal with sentence. Then work out for every page the conversion ratio between guests to your web site and sales of your book. This may let you know what your optimum worth is.

Ultimately, if you've written a e-book that solves a downside or presents a brand new method, your ebook will herald each traffic and profits.
